

ALL GOING WELL AT LOCAL SCHOOL

Principal Reports on Term Beginning to School Board.

TOTAL ENROLLMENT 736

The fact that the local schools are running smoothly in the term was brought out in the report of Principal George H. Wilson, to the September meeting of the School Board.

All teachers are on duty, he reported, and the new members of the staff have quickly taken their place in the order of things. The reception held earlier in the month, attended by the teachers and members of the School Board, was most successful. It was the feeling of these present that this would be one of the most successful years in the history of the local schools.

The total enrollment this year was 736. Of these children, 544 are in the Narberth schools, and 192 are attending the Lower Merion High School. The upper four grades of the local schools have been merged to date with the township institution.

Forty of the local pupils are in the kindergarten, established this month. The board decided to admit to the kindergarten any child who will become five years of age on or before February 1, 1928. The classes are held in the Community Building on the playground, Windsor avenue.

The Board has issued a special invitation to inspect the school buildings, now in the best of shape. New flooring has been placed in the domestic science room and extensive improvements have been made to the lunch rooms, making them sanitary in every way.

SUCCESSFUL OUTING

Gara Bible Class Makes Merry at Valley Forge.

The H. C. Gara Men's Bible Class of the Presbyterian Church went on their annual hike to Valley Forge last Saturday afternoon and as usual it was a howling success from start to finish. The single men carried off the honors in the baseball game, but with the teacher of the Young Men's Class as umpire we are not surprised. We would not be surprised to see Mr. Sperry umpiring for the Athletics in the near future. The score is uncertain as no one had an adding machine along.

The quoit pitching contest was close. There are some real quoit pitchers in Narberth, but they were all able to be out to church Sunday.

After the sports had ended Mr. T. E. Laughlin had his camera along and took a picture of the boys, then the call to dinner and that was some dinner. All we have to say is: when we want something good in the way of eats just put the same committee to work. With Jesse Harris, chairman; Adam Wilson, Osborn Graves, Charlie Mason and C. C. Tyson for a pinch hitter, you could not find a better dinner anywhere.

After dinner President Rankin called on some of the men for a few remarks, and then all came home with one thought in mind, that the men of this class are wide awake, and we are going to be boosters for the H. C. Gara Class.

RALLY DAY

Tomorrow morning, starting at 10 A. M., rally day exercises will be held at the Presbyterian Church. A new course of study—"The Decline of the Hebrew Monarchies—Contemporary Prophesies"—will begin. The topic for tomorrow is "What Happened When the Ministry Forsook the Northern Kingdom."

SAUR KRAUT SUPPER

The Goodfellowship Club of the Narberth M. E. Church will have their annual saur kraut supper at the church Friday evening, October 14, at 6 P. M.

Keep the date open and come and enjoy the supper with them; which will be well worth the price of 50 cents.

Bob Yealand, of Rockland avenue, Merion, has entered the Philadelphia College of Pharmacy.

WANTS T. B. SANATORIUM

Statistics showing the need for a tuberculosis hospital in Montgomery county were given this week by D. K. Brunner, field worker for the State tuberculosis society, in speaking before a largely attended meeting of the Montgomery County Council of welfare workers, in the court house annex.

Mr. Brunner stated that there are 200 deaths from tuberculosis in Montgomery county annually. Tuberculosis is a disease which affects all avenues of social work, he continued. Many deaths could have been prevented and parents kept alive to support their families could early attention been given those suffering from tuberculosis.

BOWLING LEAGUE IN FIRST MEETING

Interchurch Pin Games Will Begin on October Seventeenth.

OFFICERS RE-ELECTED

The Narberth Interchurch Bowling League held its annual meeting on Tuesday evening, September 27.

The officers of last year were re-elected:

William J. Bailey, president. Stuart B. Weiss, vice president. Charles C. Mason, treasurer. Hervey C. Keim, secretary.

Horton Williamson gave the bowlers present some welcome news. He stated that the alleys would be planned and shellacked and the lights rearranged. The work will be pushed so that the alleys will be in tip-top condition for the first game of the season, which is scheduled for October 17. Bowlers who were not present at the meeting will be interested to learn of some changes which were voted upon favorably.

The league will be divided into two sections, "A" and "B," consisting of four teams each. One section will bowl Monday and Thursday evenings, and the other section will bowl Tuesday and Friday evenings of each week.

The rule charging five cents for each miss has been discontinued. In place of this the regular charge for match games will be 20 cents instead of 15 cents, which was not sufficient for the upkeep of the alleys.

There is also a change in membership dues, which were fixed at five cents for each match played by a member, instead of \$1.00 per year.

Another change will be the method of counting the winning scores. The "point" system was adopted. There are four points to each match of three games. One point for each game credited to the team having the highest score, and one point credited to the team having the highest score for the match—three games combined.

To carry out the proposed plan of bowling in two sections, it is necessary to have the entire eight teams—Battlers, Boosters, Marathons, Meteors, Mules, Pilots, Pep Boys and Lions. All captains should line up their teams and get in touch with the secretary regarding the new bowling schedule. Be on the lookout for new men who have come into your church who are bowlers and would like to participate in the good fellowship which exists in the league and the opportunity to form new acquaintances.

Schedule of games will be announced later.

Orangemen to Attend Church.

The Orangemen's Lodge, of Ardmore and vicinity, will attend the Narberth Presbyterian Church in a body on Sunday evening, October 9, and participate in a memorial service for Mr. William Doran, who was a faithful member both of the church and lodge. The sermon will be delivered by the pastor, Rev. John Van Ness. The public is cordially invited.

ON FOOTBALL TEAM

Three Narberth boys are members of this year's Clifton Heights semi-pro football team. They are Dick Odiorne, former Penn half-back; Edlworth Riley, former captain of P. M. C. and Bob Ward, former Swarthmore tackle. The games are played on Sunday afternoons.

GOOD OPPORTUNITY FOR SAVING OPEN

Narberth Legion B. & L. to Start New Series Next Tuesday.

PROFIT FIGURES HIGH

The Narberth American Legion Building and Loan Association will open its eighteenth series of stock on Tuesday evening, October 4, 1927, at the meeting place of the association, Narberth Coal Company, corner Haverford and Narberth avenues.

This association is not restricted to members of the American Legion, but is open to everybody. Members of the local post are sponsors of the association, but it is a true civic project, working for the good of the entire community.

The taking out of "free shares" is one of the easiest and most profitable ways of saving money. A few dollars a month, "salted away" in B. & L. stock increases at an astonishing rate, and the equity grows as the interest is added.

These free shares, not having to be used to pay off mortgages are always ready for any financial emergency or opportunity. When the time comes when you wish to buy or build a home, the shares may be the very solution of your "down money" problem.

The assets of the association have climbed to about \$250,000. This is an increase from \$206,000 at the close of the sixth year of business. The loans were in excess of \$180,000 at that time—on well-secured first and second mortgages.

The double shares of stock have been the favorite sellers during the past few years on account of the time in which they mature, about six years instead of the 11 years and a few months required by the single shares.

The Stockholders who have paid in their money to the association for investment may borrow up to 90 per cent. of the amount paid in at any time and pay 6 per cent. interest and earn on their money 8 per cent. or better. It has been the means of helping to tide over many a tight period for a great many stockholders.

New shares of stock may be taken out the Merion Title and Trust Company through Director Fowler; the Narberth National Bank through Director McCrery or through Director Dunne at the office of the association.

PHILATELISTS TO MEET

The Main Line Stamp Association will meet Monday at the Narberth Presbyterian Church at 7.30. Warren Gross, an authority on foreign stamps, will address the meeting, to which any philatelist is invited.

Engagements Announced.

Dr. and Mrs. Harry M. Chalfant, of 128 Chestnut avenue, announce the engagement of their daughter, Mary FitzRandolph Chalfant, to Mr. Carl Heath Kopf, of Buffalo, N. Y. Miss Chalfant was graduated from Wilson College. Mr. Kopf is a graduate of Princeton University. The wedding is to be a June event.

Mr. and Mrs. John H. Gold, of 210 Woodbine avenue, gave a reception at their home last Saturday night, at which they announced the engagement of their daughter, Kathryn B., to Mr. George H. Slaine, of Greensburg, Pa., who is a graduate of Notre Dame University and is now connected with the State Banking Department in Harrisburg. About 50 guests attended the reception.

Mr. and Mrs. Herbert Austin Tripp, of Atlanta, Ga., have announced the engagement of their daughter, Nancy King, to Mr. Alexander Capie Shand, Jr., of Merion. The marriage is to be solemnized October 29, at All Saints' Episcopal Church, Atlanta, Ga.

Mr. James A. England, of 224 Sabine avenue, announces the engagement of his daughter, Elizabeth Loflin, to Howard Franklin Cotter, Jr., son of Mr. and Mrs. Howard F. Cotter, of 222 Sabine avenue.

Cook Letter Brings Forth Group of Replies on Annexation Topic

Pros and Cons Are Discussed at Length By Several Residents in Interesting Letters to Paper.

The question of Narberth's entry into the township raised last week in a letter from Chester P. Cook, has brought forth communications from several citizens on the subject.

Letters have been received to date from Councilman Robert F. Wood, Walter J. Odiorne and Arthur W. Burns. In addition to these, "The Spectator," an irregular contributor to our columns, has given the topic considerable space in his department this week.

Many new ideas have been brought to light in the letters, in addition to some interesting history. "Our Town" will gladly hold its columns open to further discussions of this vital topic if more letters are submitted. It is a matter on which every resident might well have an opinion.

Mr. Wood's letter, the first received, advocates independent borough government, but calls attention to the advantage of a joint school district. His communication follows:

Mr. Wood's Letter.

To the Editor of Our Town:

Mr. Chester P. Cook's letter in your last issue, arguing in favor of merging the borough back into the township, was a clear and interesting presentation of a subject which should frequently engage the attention of the people of the borough. We are the inheritors of the belief of our predecessors that the people of the Narberth area would get more direct benefit from their tax money if the expenditure of it was controlled by themselves and limited to that area. It is well occasionally to cast up accounts and determine whether their expectations of 30 years ago have proved to be sound. If not, we should reverse their action provided the Lower Merion township citizens and the County Court are agreeable to a merger.

It seems to me that, with the possible exception of the school system, the arguments are still strongly in favor of remaining an independent borough. There appears to be a general belief, both in the borough and outside of it, that the public schools of the township outrank those of Narberth. While such a belief may be incapable of proof, still the existence of it must be accepted as a fact and taken into account. Assuming that the taxes for public school purposes are equal in the borough and the township, and that the township schools are generally regarded as being superior, it then follows that the borough system of government has not

yielded the people of Narberth as much for their tax money as they would have obtained if they had remained in the township.

Whenever the voters of Narberth have had an opportunity to express themselves on the issue of sending their children into the township schools, as was the case when the school bond issue was defeated four years ago, they have appeared to favor such a merger. The present school plant is said to be handicapped because of lack of space and presumably large sums must be expended upon it within a few years. The Burgess, Mr. Frye, told me this summer that legislation permitting the merger of school districts, under circumstances similar to those which prevail here, had been discussed at Harrisburg. It seems to me that it is clearly in the interest of the people of Narberth that such legislation should be passed and taken advantage of by them, on the basis of any reasonable terms that the township school authorities may lay down.

My life before coming to Narberth brought me into rather intimate contact with the workings of the governments of several communities, including both small towns and cities and in a region where local self-government is generally reputed to be of a high order, yet I have never observed a local government which was so quickly responsive to the wishes of the people as that here in Narberth, and I believe that the Narberth people would find that they had lost something quite important, even if somewhat intangible, if they should be merged into the large township, where contacts between citizens and government officials are necessarily more indirect. It is within the power of a majority of the people of Narberth to make a very emphatic change in their borough Council every two years if they see fit to do so, and we Councilmen are just as well aware of that as the people, and it is right and proper that the threat of emphatic disapproval and dismissal should constantly hang over our heads.

Mr. Cook states as an argument in favor of merger that the township will continue to grow and that it has vast undeveloped resources whereas Narberth has about reached the limit of its growth. Those seem to me to be very good arguments for remaining exactly as we are. The major public improvements of Narberth, such as sewers and permanent pavements are all installed. Much of that work remains to be done in the township and it will cost

SPEAKS OF BELGIUM

Delegate to Convention Tells Rotary of Ostend.

Harry Shenton, member of the Philadelphia Rotary Club, gave the Bala-Cynwyd-Narberth Club Tuesday at its weekly luncheon meeting a very vivid description of the international convention at Ostend. Features of his talk were the problems encountered by the delegates because of the various languages spoken by the Rotarians from many countries who attended the convocation. He painted an amusing word-picture of the cross-Channel flight from Paris to London.

Visitors from Ardmore at the meeting were Harry Rickabaugh and Harry Florey. Next week's meeting will be in the evening, and will be in charge of the business methods committee, of which Ralph S. Dunne, of Narberth, is chairman. Arthur Freeman, General Manager of the Gimbel Brothers Store in Philadelphia, will speak on "Five Point Merchandising."

Mr. Freeman was at one time advertising manager of the R. H. Macy and Gimbel Brothers stores in New York. He was later appointed vice president and director of the National Department Stores. He is known as a vigorous and interesting speaker.

MEET TEACHER

Mothers' Council Plans for October Meeting.

On Wednesday afternoon, September 28, a small but enthusiastic group of mothers of the Sixth Grade children met Miss Hayes, the new teacher, in her classroom and discussed ways in which both could be of mutual help. After refreshments were served by Mrs. Nash, chairman of Hospitality and her committee of the Mothers' Council, the mothers returned home with a better understanding of the problems of pupils and teacher. This meeting is the first of a series of meetings for the mothers of each grade in school to meet with the teacher to discuss individual problems.

On Friday evening, September 30, the Mothers' Council will hold its annual Get Acquainted party for the teachers and mothers of the Narberth School children in the school library at 8 P. M. All mothers are urged to meet the teachers informally.

The Mothers' Council at its regular monthly meeting October 10, will have Mrs. E. E. Kiernan, National corresponding secretary of the National Congress of Parents and Teachers, as its speaker.

BOARD OF TRADE IN FIRST MEETING

Credit Was Discussed by Two Speakers at Supper Gathering.

ATTENDANCE IS LIGHT

"Credit" was the topic at the first fall meeting of the Narberth Board of Trade, held Wednesday night at the Brynwood Manor Inn. Despite the very small attendance, there was a great deal of discussion, and much interest in the words of the speakers.

The principal speaker was A. N. Rickards, former president of the Philadelphia Association of Credit Men and for many years in charge of credit work for the H. K. Mulford Company.

Mr. Rickards gave a picture of the national handling of wholesale credit. He told his hearers of the work of the national association in speeding up collections, detecting and prosecuting dead beats, and protecting the interests of its members.

In speaking more broadly of the general credit situation, Mr. Rickards placed the blame for a part of the present lax condition at the door of business men in general. "It is an injustice to a man," he said, "to extend credit and encourage purchases beyond his means."

Prompt payment and collection of accounts, the speaker said, is a stimulus to business. The prompt accounts produce the greatest business, and enforcement of prompt payment does not drive away business. This, he told, has been found to be the experience in many wholesale houses, and applies equally well to retail businesses.

After Mr. Rickards' talk, the subject was brought up of co-operation among Main Line business men and trade associations, to defeat the "fly by night" who moves from town to town, leaving behind him a trail of bills and bad checks.

M. P. Burlingame, president of the Bryn Mawr Business Association, spoke briefly of the experiences of his club, and warned against the difficulties to be met in attempting to install anything resembling a national credit bureau in the Main Line.

He offered however, to co-operation of the Bryn Mawr business men in working out the problems faced by all retail merchants today—protection from the small element in the populace who prey on storekeepers and service men.

Reports of the work of the officers during the summer were read. Ralph S. Dunne reported no progress on the part of the railroad towards a new station. Road signs and membership problems were discussed. Joseph Galloway and Edward F. Tietz, proprietors of the Narberth Pastry Shop, were admitted to membership.

A report was made on the gift to the Fourth of July Committee to clear up its deficit, and a letter from Chairman Harry A. Simpson, thanking the board, was read.

FURTHER ACKNOWLEDGMENTS

The committee in charge of the Firemen's Carnival made the usual number of inevitable omissions in listing the donations to the affair. Further acknowledgments, omitted from last week's list, are:

To White's Sweet shop for the gift of over five gallons of ice cream, and for supplying the cones at cost.

To the General Baking Company for 10 dozen rolls.

To the Brilliant Manufacturing Company for the large sign.

To the Montgomery Bus Company for a \$10 gift, and to Adelizzi Brothers for the donation of a \$5 gold piece. The Narberth Plumbing and Heating Company also contributed one of the prizes.

BAKE SALE

On Saturday morning, October 15, there will be a cake sale in Mr. Dando's store by the Ladies' Aid Society of the Holy Trinity Lutheran Church. Pies, cakes, Dutch cakes and crullers will be sold.

PROTESTS ROWDYISM

To the Editor, Our Town:
Through the columns of "Our
Town" I would like to register a
complaint.

There seems to be a misunder-
standing on the part of some boys
living near the Lutheran Church.
We were chagrined about two
weeks ago to find our bulletin
board thrown over the glass
broken. The rear space that was
used during the summer months
as the place of meeting for the
community open air services is
now being cut up by boys playing
football on it. The climax came
last Sunday. During the Sunday
school service we were molested
by boys coming to the door and
yelling into the building. Again
at the church service the same dis-
turbance, however, to an in-
creased degree, occurred.

There is a heavy penalty con-
nected with a conviction for the
crime of molesting any lawful re-
ligious meeting. We hope this
note will come to the ears of those
boys or parents and that this will
end the matter.

CLETUS A. SENFT.

The Woman's Foreign Mis-
sionary Society of the M. E.
Church will meet on Monday,
October 3, at 2.30 P. M. at the
home of Mrs. Charles Harnden,
Moreno road.

HERE AND HEREABOUTS

And now comes our astute
friend, C. P. Cook, to say that
this borough business is all wrong
and that it behooves us to absolve
ourselves from our rank selfish-
ness and hie back to the township
whence we sprung. He claims
we will save some money if we
do, but he also says we are duck-
ing some bills we ought to pay,
and that makes it rather perplex-
ing to determine just where we
would get off if the plan suggested
came to pass.

It will have to be assumed that
Mr. Cook's particular interest in
the matter pertains to his capacity
as a substantial taxpayer to the
borough exchequer, as he lives in
the township. To the rest of us,
Narberth is home, with all which
that implies, and when we discuss
our home and our life, we must
needs give heed to more than the
financial aspect of the case. We
think we are on solid ground when
we contest the merger of the smal-
ler, compact place with the big,
struggling outlands.

The very essence of American
procedure is representative gov-
ernment and with no desire to
wax ponderous or academic, we
can assert that we would be mak-
ing a real contribution to an exalt-
ed national spirit if we continued
our little dynasty even if it cost
us individually a great deal more
than it does.

Men can pick and choose where
they desire to live. They may
prefer to locate in big cities, where
administrators are hand-picked
and where civil affairs are con-
ducted for the sole purpose of per-
petuating a political organization.
They may also elect to live in
isolated countrysides, where com-
munity life is a negligible thing
and where their only contact with
strange public officials comes with
the payment of their tax bills.
They are quite content to remain
aloof from matters which pertain
to the general welfare and they
maintain a smug self-complacency
regarding everything outside of
their own sphere of activity. They
do not agree that the privilege of
citizenship is accompanied by an
accountability, or if they do they
might properly say that they are
too far removed from the center
of things to make their interest

or influence of any value. It was
for such folks that the state of in-
nocuous desuetude was created.

There should indeed be some
places in this grand land, however,
where a real democracy could
have its fullest fling, where a pre-
cious citizenship as possessed by
average men and women could
attain its greatest heights and
where there would be an unre-
stricted opportunity to pay tribute
to the cardinal principles under
which this republic took form and
which, accompanied by spirited
motives, were calculated to raise
humanity to lofty estate, a fitting
answer as to what is the use of
being a man. No patriot can feel
content with the fearful medi-
ocrity which a flaunting bigness
has produced in America, and if
we truly seek to be of service to
our generation and posterity we
shall be steadfast against further
ravages of the same kind, even if,
for the moment, we seem to be
overstating what might appear to
be very ordinary circumstances.

It might illuminate one part of
the point we are trying to make
if we refer to the kibosh which
our Republican potentates recent-
ly tried to put on the candidacy of
Democrat Ed Hawes, but which
apparently didn't mean a thing to
the voters, in view of the howling
majority they gave their excel-
lent friend and neighbor.

When the advertisements pro-
claimed the advent of the Egypt-
ian Theater, it was thought by
many, at first glance, that our own
temple of the silent drama was
being dubbed with rather a cur-
ious cognomen, and we were not
at all sure that we were pleased
with this suggestion of the streets
of Cairo. When you go over to
Bala, however, you are likely to
think more kindly of the name of
the new theater, and the more ap-
preciative you are of things finely
done, the more generous will be
your praise of the exquisite affects
which have been achieved in this
new movie palace. There is not
an incongruous note in the whole
plan of beautiful decorations and
the main motif is preserved,
Egyptian from first to last, with
a rare and infinite capacity for de-
tail.

It is very apparent that this
costly arrangement is a recogni-

tion of the fact that one goes to
the movies for more than the pic-
ture itself and the irresistible en-
vironment which careful planning
can accomplish goes a long way
towards overcoming the effect of
the tawdry films which almost
outnumber the worthwhile presen-
tations. A proper sense of repose
and comfort and charm is certain-
ly a valuable factor in selling the
tickets and let us hope that the
decorations and equipment of our
own new show place will be of
the same high order as that which
the Bala folks are now enjoying.
Ardmore also has a wonderful
house of excellent proportions and
unusual harmony, but farther up
the line the folks must be in great
agony when the lights go up and
reveal the most gruesome of gew-
gaws and the most diabolical of
color combinations.

* * *

The playground is proving it-
self an extraordinary asset and we
hear the Main Line generally is
classing it as one of the chief at-
tractions of the district. George
Suplee, the man of multitudinous
tasks, is entitled to a great deal of
credit for the present splendid
condition of the plot and we are
hopeful that he will soon get
around to covering up in some
way or other, the rather economi-
cal building which intrudes itself
on the whole pretty scheme. And
while we are on the subject, we
wonder if a gorgeous array of
flowers could not be started on
the railroad bank, affording a
background of bewildering beauty
for the sweeping sward in front.
This should be an ambition
worthy of Wohler's best.

THE SPECTATOR.

REGENT TO VISIT

Mrs. N. Howland Brown, of
Norristown, State Regent of the
D. A. R., will visit the Dr. Ben-
jamin Rush chapter, of Narberth,
at its stated meeting and luncheon
at the Brynwood Manor Inn
Saturday, October 8, at 11 A. M.
Every member has been urged
to be present, as Mrs. Brown has
expressed a desire to meet each
one personally. She will give
an address at the luncheon. Non-
members of the D. A. R. have
been especially invited to attend
this meeting, making reservations
at once through Mrs. W. R.
O'Sullivan.

THE FIRESIDE

Joseph W. Prager, of 112 Essex
avenue, a student at the Carnegie
Institute of Technology, has been
named as head of the advertising,
and treasurer of the "Thistle," the
annual year book published by
the Junior class. He is a Junior
in the department of Commercial
Engineering of the College of En-
gineering.

Mrs. Douglas C. Miner enter-
tained at a luncheon and bridge
Tuesday afternoon in honor of
Miss Anna Butler, of Winthrop,
Mass. Those present were Mrs.
Winthrop Derby, Mrs. William
W. Fretz, Mrs. William Durbin,
Mrs. A. Perry Redifer, Jr., Mrs.
Horace T. Smedley and Mrs.
Philip Cogley, of Council Bluffs,
Ia. Miss Butler is the house
guest of Mrs. Samuel Laird.

Miss Helen Hoffman, of Wind-
sor avenue, will leave next week
for National Park Seminary for
her second year.

Mrs. Ida Chambley, of Elm
terrace, left last week for Bel-
gium for an extended visit with her
son and daughter-in-law, Mr. and
Mrs. Joseph Chambley, who have
been living there for some time.

Mrs. Lee Squier returned to
her home on Grayling avenue last
week after an extended tour of
the West by motor and train.

Miss Betty Otto, of Grayling
avenue, is visiting friends in Al-
toona this week-end.

Sidney Smith, of Merion, was
among those at the Penn Fresh-
man Camp at Green Lane, Pa.,
last week-end.

Jack Walsh, of 418 Woodside
avenue, has enrolled in the San
Diego Army and Navy Academy
at Pacific Beach, Calif. Mrs. C.
E. Walsh and her daughter are
living at Pasadena, Calif.

Mr. and Mrs. W. R. Knauer, of
223 Lantwyn lane, entertained
Mrs. Knauer's mother, sister and
brother-in-law from Altoona last
week.

Mrs. A. E. Turner and daugh-
ter, Jeanette M. Turner, of 315
Woodside avenue, are spending
two weeks at the Suplee cottage
at Ocean City.

Mr. H. L. Wolehling and fam-
ily, of 401 Woodside avenue, have
returned from their summer vaca-
tion.

Mr. and Mrs. F. W. B. Humes
and Miss Marion Humes have re-
turned to their home on South

Narberth avenue after summer-
ing at Cape May.

The Ralph L. Rankin family, of
318 Chestnut avenue, have re-
turned from a vacation spent in
Northern Pennsylvania.

Several Narberth boys were
among the members of the L. M.
football team invited to the
Egyptian Theater last Saturday
night after their victory over Ber-
wyn.

Friends of Mr. and Mrs. E. C.
Stackhouse, of 227 Price road,
gave them a delightful surprise
last Tuesday evening on the oc-
casion of their wedding anniver-
sary. Those present included Mr.
and Mrs. A. Van Hosen, Mr. E.
G. Otto, Mr. and Mrs. O. B.
Johnson, Mrs. W. Taylor, of
Pittsburgh; Mr. and Mrs. Albert
Ripper and nephew, Mr. and Mrs.
A. H. Eisman, Miss Louise Eis-
man and Mr. and Mrs. R. R.
Murray.

Mr. A. C. Compton and family
were the week-end guests of Dr.
and Mrs. John H. Davis, of Avon
road, at their cottage at Beach
Haven.

Joseph Snyder and Bob Patten
have returned to the United
States Naval Academy at Annap-
olis for their second year's work.

Mrs. William Shoemaker, of
Ohio, was the guest of Mrs.
Robert H. Durbin, of 231 North
Narberth avenue, last week.

LEGIONETTES MEET

The regular monthly meeting
of the American Legion Auxiliary,
Harold D. Speakman Post, No.
356, was held Tuesday evening in
the Legion room of the Commu-
nity Building. An interesting re-
port of the State Convention held
in York was given by the dele-
gates who attended. The local unit
was again honored in receiving a
gold citation for meritorious ser-
vice during the past year. Plans
are being made to continue the
visits to hospital No. 49, Twenty-
fourth and Gray's Ferry road,
during the coming year.

The auxiliary will hold a home
bake, Saturday October 1, in
Dando's Store. Home made cake,
pies, bread, candy, relish and bak-
ed beans will be on sale.

FORM ASSOCIATION

A group of Main Line coal deal-
ers, meeting Wednesday in the
Narberth Coal Company building,
voted to form an association to be
known as the Main Line Coal Ex-
change.

The Narberth American Legion Building & Loan Ass'n

DOWN BERWYN 12-0 FOR OPENING GAME

Smith and Tyson Star—Play Penn Charter Tomorrow, Away.

ELECT CLASS OFFICERS

With ideal weather conditions prevailing, Captain Cook and his mates got off on the right foot in their attempt to step back into the limelight as suburban football champs, a position from which Lower Merion was ousted by Radnor last year.

Berwyn had a stubborn team that put up a stiff fight throughout the entire game. In scoring two touchdowns Lower Merion showed great possibilities for the future. The laurels of the game go to Smith and Tyson, who time after time thrilled the large crowd with their spectacular runs around the ends and off tackle. The interference given these two backs was not of the best, but Coach Adam will soon iron out this deficiency.

Berwyn opened the game by kicking off to Captain Cook, who returned the ball to midfield before he was tackled. Play seamed back and forth in the early moments of the first quarter, but towards the close of this period Tyson picked up a fumble and ran 15 yards to Berwyn's 30-yard line. Smith then came into action and with an equally brilliant run, around the end, brought the ball to Berwyn's 10-yard line. Another thrust at the line yielded five yards and then Tyson carrying the ball on an off tackle play pushed his way for the remaining distance to score the first touchdown of the season.

The try for point went wide of the posts, making the score read Lower Merion, 0; Berwyn, 0. Soon after the period ended, and during the second quarter neither team could secure an advantage, the score remaining unchanged at the end of the half.

During the intermission the Lower Merion band rendered several numbers that pleased the crowd and when the teams trotted on the field for the remaining part of the game they received a hearty welcome.

Berwyn again kicked off. This time Murphy, Lower Merion's center, received the ball, which traveled only a short distance. During this half the play became furious, as it was still anybody's game. Berwyn only needed one touchdown to tie and perhaps win. But it was not to be; the Lower Merion line played the opposing team to a standstill with Captain Cook twice breaking through to throw an opposing Berwyn player for a loss.

A punting duel featured the early part of the period, with the advantage favoring Lower Merion, whose ends didn't permit the Berwyn backs to take a step before tackling them. Time after time D'Amora and Barclay were waiting for the man to catch the ball and when he did so he was neatly brought to earth. Tyson and Smith again came back in the limelight and started a march down the field to what looked like a sure score. A forward pass was intercepted by Berwyn at this point, staving off the disaster momentarily.

Berwyn instead of kicking out of danger tried the unexpected and threw a pass which Smith neatly intercepted and ran back to Berwyn's 5-yard line. From here Tyson again took it over for his second touchdown of the game, but Lower Merion again failed to make good on the extra point. The score now read Lower Merion, 12; Berwyn, 0. At this point Coach Adam sent in many substitutes, who held Berwyn scoreless for the remainder of the game.

All in all Lower Merion showed a team with great potential strength which should cause a great deal of trouble to their remaining opponents. The real test comes today when the Maroon and White will try to stop the "Little Quakers" of Penn Charter on a foreign field. To win today Lower Merion must stop Eddie Burnshaw, a brilliant open field runner, who has been playing the game for the last six years both at Lansdowne and now at Penn Charter.

Lineup of Berwyn Game.

LOWER MERION	BERWYN
Barclay.....left end.....McKeown	
Coleman.....left tackle.....Lyshon	
Faulk.....left guard.....McMahon	
Murphy.....center.....McCless	
Cunningham.....right guard.....Lehman	
Cook (Capt.).....right tackle.....Moran	
Purse.....right end.....Miller	
Tyson.....quarterback.....Emberger	
Smith.....left halfback.....Hunt	
Lloyd.....right halfback.....Henry	
Scott.....fullback.....Blake	

Score by periods:
Berwyn.....0 0 0 0-0
Lower Merion.....6 0 0 6-12
Substitutes—D'Amora, Kohlhas, Richardson, Elmore, Mearns, Blair, McGee, Cross. Touchdowns—Tyson, 2. Referee—Dunn. Umpire—Irwin. Head linesman—Bradley. Time of periods—12½ minutes each.

Senior Dramatic Club Meets.

The Senior Dramatic Club held its first meeting Monday. The following officers were elected with Miss Dorothy Holland, head of the English Department, as Faculty Adviser: President, Margaretta Gibbons; secretary, Blanche Morris; treasurer, Irving Dothard.

The club in addition to its annual public performance will probably give several short plays, for assembly programs, during the year.

Girls' Hi-Y Club.

The first meeting of the Girls' Hi-Y was held Tuesday afternoon at the high school. This was the first time the new members, chosen the latter part of last year, had attended a regular meeting. The president read the constitution of the club to them and stated the plans for the coming year. An initiation of the new girls will take place on Monday evening at the Y. M. C. A. building in Ardmore. The officers of the club for the coming year are: President, Bettie Cook; vice president, Patty Selers; secretary, Jane Knowlton; treasurer, Hope Burlingame.

Last Monday the senior class held its first meeting of the new year, the object being to reorganize and get a good start on the busy year that lies ahead. The class of '28 has set a precedent for other classes to follow. Each officer elected for the new year held the same office while a junior, the first time this has ever occurred in class elections.

Sam Barclay was again elected president and Alan Cook will hold down the job of vice president. Ellen Shaw's and Doug Fleming's work as secretary and treasurer respectively was thought so well of that they were again selected to fill these responsible positions. Cook and Barclay engage in athletics as well as many other school activities. Cook is the present captain of the football team and captain-elect of the basketball squad. Barclay is president of the Hi-Y club and also captained the basketball team last year.

Ellen Shaw plays hockey and is quite an actress as her work with the dramatic club has proven. Fleming is out of sports at present with an injured shoulder, but is a popular young man in his class. Plans are already under way for the senior dance and the publishing of the class book, which requires a great deal of work on the part of the whole class.

Know before You Buy

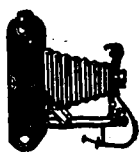

THE time is not far distant when the prospective coal customer will have several questions to ask his dealer before he signs up for a supply of fuel.

To wit: "How does your coal run in carbon content? I want to be assured of plenty of heat units. What is its percentage of ash? I can't have my back and disposition ruined shoveling out ashes."

We as dealers in Jeddo-Highland coal exclusively are prepared to answer these questions *right now*. Chemical analysis has proved to us that our coal has much *hidden value*. *Know before you buy!*

Turn the key! and your Buick is Double Locked

No lock could be safer! One turn of the key locks both *ignition* and *steering wheel*. But merely turning off the ignition *does not* lock the wheel. You may shut off the engine and coast, if you like, and still have your car under perfect control.

And no lock could be more convenient! It is illuminated and located within easy reach, where the steering column meets the dash.

The Buick double-lock is an exclusive Buick feature—one of many important refinements which characterize Buick for 1928.

FEDERATION'S PLANS NEALY COMPLETED

Welfare Campaign Opens the Last Saturday in October.

FOURTEEN DIVISIONS

Organization of the huge corps of volunteers who will seek the support of every resident of metropolitan Philadelphia in the seventh annual campaign of the Welfare Federation, is now being rapidly completed. The campaign opens October 24, and will continue until November 4.

The Federation campaign workers, each contributing his or her time and effort without remuneration, this year number more than 4000 men and women. The entire organization is composed of 14 divisions, covering the entire city and a large suburban territory reaching far into Delaware county, out along the Main Line, and way up in the northeast and Old York road section.

Each of the 14 divisions is headed by a volunteer chairman, many of whom have been identified with the Welfare Federation enterprise for several years. Each of these divisions is divided into districts, with a chairman for each district. Each district organization again is subdivided into teams, several in one and as many as a dozen in others, with a captain for each team. Ten workers make up a team.

Under the inspiring leadership of Edward Hopkinson, Jr., the volunteer campaign director, and Jay M. Kyle, the Federation campaign manager, the entire campaign is now virtually prepared to broadcast the appeal annually made for the maintenance of the 128 hospitals, day nurseries, settlements, homes for the needy, the aged, the blind and other organizations included in the Federation membership. The goal of the campaign this year will be approximately \$3,250,000, a figure larger than that obtained in any previous Federation campaign in this city.

Racers Fined

Inspired by the air racers or by the thoroughbreds on the Harve de Grace track two motorists risked their lives and those of their passengers for a friendly race through the quiet Narberth streets last Thursday afternoon. Albert E. Newman, Jr., of Radnor, driving his father's car on Woodbine avenue was evidently racing a car driven by Stoll Titus, of Narberth. As they sped along the rear wheels collided and forced Titus' car into a telephone pole. Edwin Palsir, of Bryn Mawr, and Dominic Giulian, of Narberth, riding in Newman's car, were injured and were treated on the spot by Dr. Denman, of Narberth. Both drivers were arrested; Newman was fined for reckless driving, and Titus was discharged.

MANY STUDENTS

All records for undergraduate enrollment at Haverford were broken this year, when a total of 272 men were enrolled in the four classes. This exceeds last year's mark by 17 and approaches the limit of 300, set last year by President W. W. Comfort. Officials of the college have announced that they intend to make an increase approximately as large as that of this year in the enrollment each year, until the maximum limit is reached.

At present there are nine graduate students, one exchange student, 52 seniors, 61 juniors, 72 sophomores and 77 freshmen enrolled, as compared with four graduate students, one exchange student, 39 seniors, 56 juniors, 74 sophomores and 81 freshmen last year. From this comparison it is apparent that the aim to keep the four classes as nearly equal as possible, stated last year by the Office, is being attained.

WAS COOL AND DRY

Week's Main Line Weather.

When the thermometer fell to 41 degrees Sunday, the Main Line experienced the lowest temperature since May, according to Weather Observer Charles J. A. Decker, of Narberth, in his weekly report. The highest temperature for the week was 58 degrees. This month's temperature deficiency is only 15 degrees, however, as compared with last year's deficiency of 30 degrees. The barometer was high all week. According to the weatherman's records it registered 30.38 steadily. No rainfall was reported, making this one of the driest weeks (up to Wednesday night) of the season.

Church bus will leave Narberth station at 6.45 P. M.

Crash in Narberth

Last Sunday evening, M. M. Vandergrist, of Germantown, driving his car north on Iona avenue, Narberth, collided at the corner of Montgomery avenue with a car driven by Harry P. Keen, of Philadelphia, which was going east on Montgomery avenue. Although both cars suffered considerable damage, neither driver was injured, and there were no arrests.

Early Collision

William Wilson, of Narberth, driving east on Lancaster avenue, in Wynnewood, last Monday morning at about 5.30 o'clock, made a left turn into Wynnewood avenue and struck a car driven by Walter Asa Yale, of Philadelphia, which was coming out of Wynnewood avenue

DO NOT HESITATE—TO RE-ROOF

Laying new Cedar Shingles over the old ones has passed the experimental stage, and is now being done successfully.

We have no hesitancy in recommending either 24-in. No. 1 Royal Shingles ½-in. thick, or 24-in. No. 1 Imperials 9/16-in. thick, but a Zincalad nail must be used to avoid rust.

Both the Shingles and Nails are carried in stock, and we invite your inspection at any time convenient to you. May we call and help you determine the number of shingles necessary?

Sworn Weighers

Every ton of coal that leaves our yards not only is the finest Lehigh Valley anthracite, carefully screened and selected, but must weigh 2240 pounds. Sworn weighers weigh each truckload on tested Fairbanks scales. These scales are taken out and rebuilt and adjusted once each year to insure absolute accuracy. Once each month the scales are carefully inspected by the Fairbanks Company. Our guarantee of 2240 pounds per ton means a full, square ton in every sense. Compare our prices.

AT THE LIBRARY

Popular Authors in September Book List.

The Library finds that most of its readers select their books by the names of the authors. This will make the circulation of the September list exceedingly simple, for there is only one name in the list of books bought during the past month and now ready for circulation that has not already its followers.

Rosamund Lehmann whose "Dusty Answer" is included in the list, is the new writer above referred to, but she was mentioned in this column in "Our Town" of last week. Josephine Daskam Bacon and Irving Cobb are presenting their first novels, but their names are well known in other forms of literary work. The complete list follows:

Bacon—Counterpoint.
Bindloss—Dark Road.
Cather—Death Comes for the Archbishop.
Cobb—Chivalry Peak.
Ertz—Now East Now West.
Ferguson—Wolf Song.
Lehmann—Dusty Answer.
Lincoln—Aristocratic Miss Brewster.
Locke—Kingdom of Theophilus.
Moffett—Master Mind.
Montgomery—Tall Men.
Richmond—Lights Up.
Weston—Horseshoe Nails.
Widdemer—More Than Wife.

MANY LETTERS ON BOROUGH-TOWNSHIP

CONTINUED FROM THE FIRST PAGE
large sums. With Narberth, from now on it is largely a problem of operation and maintenance of a plant which is already in existence and with good management Narberth should soon enter, possibly beginning next year, the period of declining tax-rates, whereas no such prospect is ahead of the township. Our desirable location with reference to Philadelphia and the important westward developments which are now under way there will keep our property values at least constant or possibly cause them to increase.

Mr. Cook is misinformed when he implies that we do not contribute our fair share toward the overhead of the township police department. The borough pays a stated annual sum for that purpose and our arrangements with the township authorities for police protection are so equably adjusted and have worked so satisfactorily for both parties that there is no reason to worry for fear that the township might find us a burden and terminate them.

It is true that the tax rate of the township is lower than that of the borough, but an Ardmore man whose business brings him into constant touch with such matters told me within the past two weeks that when a citizen of the township has added to his annual tax bill the extra charges which the township levies on its citizens, such as sewer tax and, in some localities, street lighting costs, and also the expense of removing ashes, which is a legitimate argument, Mr. Cook to the contrary notwithstanding, it will be found that the township citizen is paying as much as is the Narberth man for the same service. The principal difference is that in Narberth it all comes on one bill, while in the township it is dribbled along in various items through the year.

ROBERT FELLOWS WOOD.
The second letter came to us from Walter J. Odiorne, of No. 321 Merion avenue. Mr. Odiorne, who agrees with Mr. Cook's arguments, also stresses the school problem in particular. His letter follows:

Mr. Odiorne's Letter.

To the Editor of "Our Town":
I have read, with interest, the letter of C. P. Cook regarding the advisability of the borough of Narberth reuniting with Lower Merion township.

When I first came to Narberth we were then a part of that township and I cannot see that we now have anything that Lower Merion does not have, except a Burgess and Council and higher taxes.

Let the Laundry do your Washing

Save your energy
for the duties of Motherhood

WHEN you are faced with the irksome tasks of washing, the brightest rays of a friendly sun cannot lighten the gloom of "Washday." But how different it can be—if you let our routine take away the weekly bundle! You have a whole day of leisure—unexpected hours to devote to your children. And best of all, you know that your washing will be more skillfully done—with less wear—than you could possibly do it at home.

Know the convenience and economy of our service. Send us a trial bundle today—and let us forever after relieve you of wearying washday toil.

Modern laundries offer a variety of services to suit every family need. All kinds of work, including heavy work, and work which requires clothes damp for ironing, are but a few of the many individualized services available at laundries today.
